

HIGHLIGHTED CONTENT FROM OUR MEDIA PARTNERS - OCTOBER 2018

The Conrad Challenge has partnered with media outlets covering the latest news and thought leadership in global education to share content that will inform educators on best practices for teaching and learning in order to help equip students with 21st century skills needed to succeed. Education leaders can keep up-to-date by checking out the latest podcasts, research, and thought leadership pieces.

Better Leaders, Better Schools

Tamara Fyke: Love in a Big World

Daniel Bauer sits down with Tamara Fyke, creator of the [Love In A Big World](#) social-emotional learning (SEL) curriculum, to talk about SEL and the importance of teaching students to foster meaningful relationships with themselves and others: <https://bit.ly/2zXkRgu>

Jessica Cabeen: Hacking Early Learning

In this episode, Daniel spoke with author and award-winning principal Jessica Cabeen about her new book, *Hacking Early Learning*, her approach to having student create rather than consume content and tech, the importance of shadowing students and teachers, and more:
