

VIRTUAL PITCH PRESENTATION AND JUDGE Q&A OVERVIEW

All team members and judges will be welcomed into the virtual 'room' by a Conrad Staff member. Once all participants are present, the Conrad Staff will introduce the student team that is presenting, begin the 8-minute on-screen timer and hand it over to the presenting team. Immediately following the team's on-stage pitch, the 12-minute Judge Q&A session will begin.

PRESENTING MATERIALS

All teams will have the option to virtually share their computer screen during their pitching session. We recommend practicing this technique in advance with standard meeting software like Zoom, Microsoft Teams or Google Meet. The Conrad Staff will not review any of your on-screen materials prior to the presentation, and teams will be in full control of their presentation decks and other materials should they choose to use them.

ADVANCE PREPERATION

Each team will have a virtual pitching session room within the 'Sessions' area of the Hopin platform. This room will appear 10 minutes prior to the scheduled start time listed on the schedule below. We highly recommend all team members join their session room early to allow for audio, video and screen sharing functions for all team members. Conrad Staff will be 'Hopin' around to assist teams in advance.

****All times in EDT. Please ensure you review and confirm all times listed based on your time zone.***

DAY 1: MONDAY, APRIL 11

5:00 p.m. – 5:15 p.m.	2022 Conrad Challenge Virtual Finals Showcase Opening Ceremony <i>(Located on Hopin Main Stage Area)</i>
